Ref: Case No. 2006-00195

Dear Ms. O'Donnell,

Those persons listed on the attached, who are all residents in the Fox Run Subdivision and who will be affected by the actions addressed in this letter respectively protest the request of Downstream, Inc., P. O. Box 191, Frankfort, KY, to increase their monthly sewer fee by 103%.

In their application received by the Public Service Commission on May 10, 2006, Downstream, Inc. proposes to increase the monthly sewer fee from \$27.51 per month to \$55.85 per month. Although Downstream, Inc. has not raised the fee in recent years, and therefore some increase may be appropriate because of inflationary cost of products and salaries, we believe 103% in one raise is excessive and unreasonable. We believe a more moderate increase would be appropriate, especially for retired families on fixed incomes.

Should there be a hearing on this case, a representative(s) of those affected by this raise would like the opportunity to intervene and express our concerns relative to this substantial increase request.

The following individuals are residents of the Fox Run Subdivision, all of whom protest the 103% increase for sewer service provided by Downstream, Inc.
